Section III. Cancellation Policy

Cancellation requests received in writing (via mail or e-mail) before July 20, 2012 will be refunded 100% less a USD\$150.00 processing fee. For cancellations received after July 20, 2012, the registration payment will not be refunded. All refunds and other adjustments will be made in October, 2012. We unfortunately cannot make any exceptions.

Making Cents has kept the registration rates as low as possible in order to facilitate participation while also helping to cover costs. We unfortunately cannot waive presenter registration fees because there are usually over 100 presenters, or 25% of total participants, and by doing so, it would increase the fees we would have to charge non-presenting participants.
