What is Aflatoun?

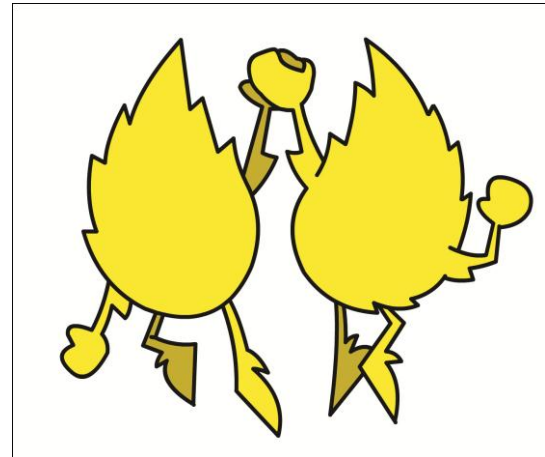

Collaboration with Ministries of Education relies on partners

Spot local opportunities!

What works out?

What are the Challenges?

Aflatoun's strategy 2011 - 2015

Conclusions

- Collaboration relies on partner existing ties and relations to MoE
- Forging links with MoE is all about selling an innovative idea. There is no one, standard pitch.
- Important to identify potential opportunities to work with MoE
- Network provides MoE additional training and capacity building
- Strategy is to continue our efforts to provide our partners a structured and consistent approach to coordinate the program at a national level.
- It's not easy to work with MoE's. Aflatoun is still on a learning process of how to work with MoE's.
