

Together we can
change the world

Jeff Hoffman

The power of ideas

- Ideas DON'T CARE where they came from
- They don't care about your age, your race, your gender, or your nationality
- A good idea is a GOOD IDEA, period
- One person and one idea CAN change the world

The power of community

- But good ideas, like newly planted trees, need sun, soil, and nutrition
- Together WE are the ecosystem that makes new ideas grow
- The young person you help today may be the one who changes the world tomorrow

The American Express logo is centered within a white square. It features the words "AMERICAN" and "EXPRESS" in a bold, blue, sans-serif font, stacked vertically. The letters are white with a blue outline, set against a blue background that has a subtle gradient from light to dark. A registered trademark symbol (®) is located in the bottom-left corner of the white square.
