Join us to learn about the latest tools, resources, training and technical assistance available for developing youth-inclusive financial services

Session Description:

Where do financial service providers and youth-serving organizations go to find the latest tools, resources, training and technical assistance for developing youth-inclusive financial services? Come learn more about Making Cents' Youth-Inclusive Financial Service Linkage (YFS-Link) Program's training and technical services along with its newly developed online platform, www.yfslink.org, the first space for practitioners to gather, learn and share about youth-inclusive financial services. Features include: Interactive Global Map; Resource Center; Practitioner Discussion Forum; YFS Blog; State of the Sector; and more! YFS-Link is made possible by the generous support of the MasterCard Foundation.

Capacity limited to first 70 participants. A light breakfast will be served.
